

# Let it be a day that lasts a lifetime.

Welcome to a truly classic and elegant setting for your wedding. The Society Room will provide a dramatic and unforgettable backdrop for your special occasion. In the glorious Society Ballroom, you'll find grand marble columns soaring to an exquisitely muraled ceiling, some thirty five feet above the dance floor.

A sweeping staircase flows down from the 3,000 square foot balcony, providing a dramatic focal point for grand entrances and photographic opportunities. Marble, limestone, brass and bronze accents adorn the opulent ballroom in a setting right out of the *Great Gatsby*.

Immediately adjacent to the Ballroom are three additional lounge or function spaces, each with their own special historic character, each with their own seating and full-service bar.

All of this grandeur is complemented by our own incomparable chefs and banquet staff, ready to custom-tailor a food and beverage presentation which will fulfill the promise of a truly magical event for you and your guests. Let the dream begin.
